

GEOMETRICS

Tulle petit bath

1650mm

Designed for more compact spaces, the Tulle Petit Bath embodies all the qualities of the original. Refined and graceful, its undulating contours sit aloft a simple base, like a sculptural piece of bathroom art. Despite its diminutive stature, this freestanding bath retains generous internal proportions for a gratifying and relaxing soak.

SPECIFICATIONS

1650mm x 850mm x 600mm

Approx weight: 135kg (298lb)

Capacity: 335 litres (89 gal)

Overflow option available.

Chrome or stone waste included.

Product code **50596**

apaiserMARBLE

apaiserMARBLE® is a luxurious, performative, non-porous marble material, derived from reclaimed marble, enriched with the purity of Australian minerals. Offering enhanced performance, achieved through the integration of the most advanced materials, apaiserMARBLE is shaped and perfected by our master craftsmen.

We at apaiser are committed to manufacturing bathware, which is respectful of the environment. In all phases of our process, we strive to produce a product with consistently low environmental impact.

apaiserCARE

A dedicated support platform comprising apaiser's in-house design and engineering professionals, provides superior service quality and peace of mind to all our project customers and retail installations. apaiserCARE® oversees design to delivery, installation and training.
